

Football

The Little Elm Area Youth Sports Association Football league is a non profit youth sports organization offering football to area youth 5-12 years old.

Your sponsorship of \$750.00, \$500.00, \$250.00 or \$100.00 will help ensure our kids have an opportunity to participate this season. Sponsorship money will first be used for scholarships for children that require assistance with registration fees. After scholarships have been provided, the remainder of sponsorship money will be used to purchase needed practice equipment, purchase end of the season awards, and send teams to pre and post season tournaments.

The LEAYSA-Football league is a direct link to the programs that compose our community today. We are inspiring our youth by demonstrating fair play and sportsmanship. All of our coaches are certified through the National Youth Sports Coaching Association which provides our volunteer youth coaches with a base of knowledge and code of ethics to educate by.

Your sponsorship will directly impact the future of our youth program in the Little Elm area. You will be recognized throughout our football season via the methods identified in our sponsorship levels below.

LEAYSA is a non-profit organization incorporated in the state of Texas under section 501(c)(3) of the Internal Revenue Code. Upon request our tax identification will be supplied.

We would like to thank you for taking the time to review our need for sponsorships and encourage you to visit our website at www.leaysa.com for additional information

Sincerely,

LEAYSA-Football Board
